

HP 12c Platinum Financial Calculator

Enhanced for students and professionals

More powerful and capable than ever, the HP 12c Platinum is up to 6 times faster with 4 times more memory than the original HP 12c. Choose between RPN¹ or algebraic entry-system logic, handle up to 80 cash flows and utilize over 130 built-in functions.

HP 12c Platinum edition with premium features

The HP 12c Platinum offers both RPN¹ and algebraic entry-system logic, memory for up to 80 cash flows, 399-step keystroke programming and Undo and Backspace buttons.

- Get the power of choice with both efficient RPN¹ or algebraic entry system logic
- Perform a variety of calculations including TVM, NPV, amortization, and more—quickly and accurately
- Get fast solutions with over 130 built-in functions and memory for up to 80 cash flows
- Easy to use keystroke programming up to 399 step plus Undo and Backspace buttons
- Premium protective pouch included

Performance above the standard

Solve complex business and financial problems with up to 6 times the speed of the original HP 12c.

- Easily and accurately calculate bond price and yield to maturity on-demand
- Figure cumulative statistical analysis, linear regression, standard deviation, and more with ease
- Get accurate results faster with 4x the memory

HP quality and support

Have confidence that every time you turn on your HP calculator, every calculation you make, results in dependable, worry-free performance and accurate results.

- Rely on HP quality and award-winning support online and by phone
- Get the most from your calculator, visit hp.com/calculators for online tutorials and emulators

Exam permissions

Permitted for use on CFP® and CFA® Certification Exams, and GARP FRM™ Exam.²

¹ Reverse Polish Notation (RPN) is an efficient data-entry system that can significantly reduce keystrokes. More information is available at hp.com/go/rpn

² CFP® is a registered trademark of the Certified Financial Planner Board of Standards, Inc. CFA® and Chartered Financial Analyst® are registered trademarks of CFA Institute. CFA Institute is not affiliated with Hewlett-Packard and does not endorse or warrant the company or its products. Recommended for use by the Global Association of Risk Professionals (GARP) for the Financial Risk Management Certification.
